

## ABOUT

JDMA create **atmospheres and environments**

JDMA like a **big scale** of urban development

JDMA care about **functionality**

JDMA want to trigger **emotion**

JDMA like a **medium scale** of designing a building

JDMA love **beauty**

JDMA want to be a **reliable partner**

JDMA investigate the relation between **space & behaviour**

JDMA like a **small scale** of designing an object

JDMA love to **create and build**

JDMA love the **poetic gester** of design

JDMA need to be **creative**

JDMA are curious about **materiality, texture, incidence of light**

JDMA have the duty to think about **sustainability** and act sustainable
